Fire Retardant Systems Product Selection

Fire retardant synergists

Glass flake synergists

Fire retardant systems

Applications	
	Composites
	Wire & Cable
	Flooring
	Wall and textile coatings
	Paints
	Transparent systems
	Gel coats

Benefits	
	Novel synergistic behaviour
	Halogen free
	Reduces toxic gases
	Reduces smoke
	Reduced spread of flame
	Increased char strength
	Efficacy in PVC and other plastics
